

PUBLIC FORUM ON SMARTMETERS AND HOW THEY ARE DAMAGING OUR FINANCIAL AND PHYSICAL HEALTH.

Are you concerned about any of these issues?

- Your electricity bills going through the roof with the new Time of Use tariff.
- Health issues related to the meters microwave radiation - you can't turn it off!
- Mandatory installations - why don't you have a choice?

If you are then come and listen to guest speakers, hear personal experiences and ask questions about the roll out.

When?

Wednesday, 30th November 7.00 pm

Where?

The Uniting Church Hall, James Street, Pakenham (MEL 317 8D)
