

# Prostituting Science

## Introduction

### *Part one*

#### Experiences and observations

Ill fares the land, to hast'ning ills aprey.  
More close encounters. Postcards from the edge. An infinitude of loss.  
The boa constrictor blitz. The betrayal. Farrago and farce.

### *Part two*

#### Explanations and validations

A chronology of MCS recognition. Shades of purple.  
MCS and the molecules of memory. MCS, CFS and FMS unified. Children of the cosmos.

### *Part three*

#### Spin doctors and the Politics of MCS

All in whose head? Cigarette science. The politics of MCS.

### *Part four*

#### Wider ramifications for physical and mental health

The diseases of civilisation. The historic perspective.  
Insider trading. Matter over mind. Towards a new understanding.
